

**City of Madison Planning, Building & Engineering Department  
Engineering Division  
Request for Street Name Approval**

Please complete all information, any request not completed will be returned without approval. Submit separate request for each subdivision/phase, business center, single road approvals, etc. Please make sure to list whether the road will be a street, road, court, blvd or etc. Effective 1/1/01 the maximum letters for street names inside subdivision is 14 letters and 12 for street names as an entrance. We do not approve street names already used in Madison County area or any area in Limestone County that is in Madison Fire or Police response area. Note: All Streets that are not acceptable for use will be marked through with a line. Streets that have been approved for your use will be initialed by the reviewer.
